WHY SPONSOR?

This is a unique opportunity to showcase your products and services to credit union and caisse populaire decision-makers from across Ontario and Canada.

Our sponsors will have time to network and connect with delegates at the Cocktail Reception on Friday, October 24th, and during all conference meals and breaks between Saturday and Sunday, October 25th & 26th.

WHAT ARE YOU SUPPORTING?

For the past 41 years, the Directors' Forum Co-operative (DFC) has provided professional development, education, and networking opportunities for Board Directors. Our programming includes an annual (hybrid) conference, a series of virtual governance sessions throughout the year, and a virtual Annual General Meeting. Guest speakers are invited to share their knowledge and expertise on topics of relevance to directors.

Sponsorships are what enables us to plan, produce, and execute the in-person and virtual programming that is highly valued year after year. The DFC Board is made up of six volunteer Directors that do not receive any remuneration.
