Directors' Forum Conference Promotion

42nd Annual Directors' Forum Conference: Shifting Mindsets for a Complex Future

Join credit union and caisse populaire directors from across Canada for the **42nd Annual Directors' Forum Conference**, a nationally recognized governance event designed *by* directors, *for* directors.

As boards navigate consolidation, increasing regulatory demands and heightened competitive pressures, this conference provides practical insights, peer learning opportunities and national perspectives to help directors strengthen governance effectiveness.

Participants will benefit from:

- Peer-to-peer learning across provinces
- National regulatory and governance perspectives
- Strategic discussions on emerging challenges and opportunities
- A director-focused forum—not a trade show or sales event

Attend in person or virtually and connect with governance leaders from across Canada's co-operative financial sector!
