

GOVERNING RISK, NAVIGATING UNCERTAINTY

OCTOBER 24, 25 & 26, 2025

Hilton Mississauga - Meadowvale

Option to attend virtually available.

Join us at the **41st Annual Conference** for a unique professional development, learning, and networking opportunity designed to help system directors prepare for future challenges and opportunities by developing forward-looking risk management plans and practices.

DIRECTORS'
Forum
for Directors, by Directors

Why Should YOU Attend?

It's designed and tailored to the **unique needs** and interests of the board director.

It provides a safe and open space to learn and share **best practices** in governance, through a variety of plenary presentations and round table discussions.

It completes the required annual hours for keeping your **Director Accreditation** status (credit union directors only).

It builds a **strong foundation** for both new and emerging directors.

It incorporates plenty of **networking** and relationship-building opportunities.

What topics will be covered from a risk-management lens?

- Canada at a Crossroads (*Keynote*)
- Effective Boards and Risk Oversight
- Future-Proofing your Membership
- Risk Management Synergies
- Future-Ready Governance*

**This half-day CUDA® session is included in the registration fee. Only credit union directors will receive a 1/2 CE credit through CUDA®.*
