

PHOTO & VIDEO RELEASE

The annual Directors' Forum conference is a unique learning, networking and professional development opportunity for credit union, caisse populaires, mutual and co-operative Directors. As such, we would like to share this experience and opportunity with the system, as well as with new Directors in future years.

In order to do this, we like to take pictures and videos throughout the conference. Some of these photos and/or videos are used to promote the Directors' Forum on our website, as well as on our social media channels, newsletter and/or reports. We thank you in advance for your help and co-operation in promoting the Directors' Forum!

By reading and accepting this, you hereby give permission for pictures and/or videos of yourself to be taken and potentially used for the promotion of the Directors' Forum. These pictures/videos may be in print or digital form.
